ADVENTIST CHURCH

Rufus B. McDannel, Pastor
Sabbath School Lesson No. 12 for Sept. 19, 1970

Subject: Christ: Justifier and Sanctifier
Keynote: "Therefore being justified by faith, we have peace with God through out Lord Jesus Christ". Rom. 5:1.

In the Bible sense the two words, "Justification" and "Sanctification" refer to essentially the same experience. Both describe the transition from a state of mind in which a person lives for himself and the pleasures the world has to offer, to a state of mind in which live and with the best interest of his fellowmen in view. In the Bible sense a person is justified or sanctified, the moment he renounces himself and the world and dedicates heart, mind and life to God. In an extended theological sense we commonly use the word "sanctification" to describe the process that follows justification, during which the various aspects of the character are remodeled after the pattern given us by Christ. In this lesson "justification" and "sanctification" are used in the Bible sense rather than the theological sense.
Lesson Outline – 1. Righteousness by Faith, Rom 4:5-8. 2. No condemnation, Rom. 8:1,2. 3. At Peace With God. Rom. 5; 2, 5, 8, 10, 4. A New Person. 2 Cor. 5:17; 5. Ye Ye Holy, 1 Peter 1:13-16. 23; 2:9. 6. Christian Perfection. Heb. 13: 20,21.

"There is therefore no condemnation to them whichare in Christ Jesus who walk notafter the flesh, but after the spirit." "For the law of the spirit of life in Christ Jesus hath made me free from the law of sin and death." For to be carnally minded is death; but to be spiritually minded is life and peace." Here the apostle refers to the Christian experience of such persons as walking; They do not stand still in the happy experience of being declared free from the charges against them in their former state of sinners, but they make progress (walk) toward the destination God has marked out for them. This walk is "after the Spirit," that is they follow where the Spirit leads them. Read Rom. 8:1,2,6.

The Greek word translated "perfect" means "Mature" "full grown" a "perfect Christian is a mature Christian. It is the purpose of the mature Christian to order his life in harmony with the divine will, and to bring every aspect of his life into harmony with that will and when he misses the mark, he does not become discouraged and let setbacks stop his progress toward his ideal. He may fall into temptation, but he will rise again. To be at peace with God we need to meet the Prince of Peace, Rd. Isa. 9:6.

Presbyterians Plan Meeting In Farmville

"It will surprise and shock many Presbyterians in Virginia to learn that the radical leaders have now made definite plans to liquidate the Presbyterian Church U. S. and its historic testimony," said Ruling Elder T. J. McIlwaine in announcing a Presbyterian Rally to be held in Farmville Presbyterian Church, Farmville on Tues., Sept. 29 at 7:30 p.m. McIlwaine is Chairman in Appomattox Presbytery for Concerned Presbyterians, Inc., – an assembly - wide organization of church officers and members who oppose the political activities of the National Council of Churches and the World Council and who seek to return the Presbyterian Church U. S. (Southern) to its primary mission of leading the lost to Christ and nurturing believers in the Faith.

The Rally's two speakers will be Kenneth S. Keyes of Miami, Fla., President of Concerned Presbyterians, Inc, whose subject will be "Valid Reasons Why We Should Not Merge with the United Presbyterian Church and the C, O,C,U, Super-Church," and Dr. John E. Richards, pastor of the First Presbyterian Church of Macon, Ga., and Executive Secretary of Presbyterian Churchmen United – an organization of ministers and missionaries who stand for the Bible and the Constitution of the Church. Dr. Richard's subject will be "The Crisis in the Church and What We Can Do About It."

All Presbyterians are invited to the Rally. A question and answer period will follow the talks.

Sabbath Offering

On Sept. 26, 1970, we will be asked to give a special offering and it is important that we know something about the projects to benefit from the offering. Three different sections of the Southern European Division will benefit from the overflow of the 13th Sabbath Offering; Yugoslavia in Europe, the Republic of Chad in Equatorial Africa, and Malagasy Republic (Madagascar).

On the large island of Madagascar we have a secondary school with 500 students but we could easily have 800 or 1,000 Unfortunately we do not have the space. Therefore a part of the overflow will be used to enlarge and improve this school. The yearly forward of all these projects depends on the generosity of our Sabbath School members around the world on Sept. 26.

Girl with the answers.

As one of Vepco's Customer Service Representatives, Stefani Gendron can answer almost any question about your account in a matter of seconds. And the question asked most often recently is this: "Why was my summer bill higher than usual?" The reason, as Stefani can tell you, is threefold:

1: Because of increased costs of fuel, environmental controls, labor, freight and interest, Vepco has just been granted its first rate increase in 17 years.

2: Under the new rates, there is a higher charge for electricity in the summer than in the winter because the higher summer demand requires the use of expensive production facilities not fully utilized during the balance of the year. (Bills vary, too, from customer to customer, depending on the amount of electricity used by each customer, and how he uses it.)

And 3: Some communities have increased the tax they place on your electric bill.

With all these factors occurring at once, your summer bill was higher than usual. Vepco, and all the Stefani Gendrons, can understand your concern. So if you have a question regarding your bill, please call one of the Customer Service Representatives in your area. She'll be glad to help.

1971. You've changed. We've changed. Chevrolet
Worth seeing. Worth owning. Worth waiting for.

Vega. Not just another little car, but one little car that does everything well. You get more room, more weight and more power than most little cars give you, yet the gas mileage is right in the same neighborhood with the best of them. Vegas come dressed up, too, not stripped to the bone so you have to add a lot to make them liveable. Drive one. You'll see.

Caprice. There's a double layer of steel in the roof, a steel guard beam in each door, power disc brakes up front, a new power ventilation system inside, a wheelbase two and one-half inches longer. You get the looks and comfort of a six- or seven-thousand-dollar car, but at Chevrolet prices. And that's the kind of change during these tight-money times that all of us can appreciate.

A vanishing tailgate. A big change in our big wagon. The window goes up into the roof, the Glide-Away tailgate vanishes beneath the floor. Out of sight. Out of your way for easy loading even in a closed garage or when you have a trailer hooked on.

See what we mean by putting you first? September 29 at your Chevrolet dealer's.
